

SMA News

And Finally ...

Your children have shown great resilience and empathy for those who are unwell, in the majority of cases, this week. Please keep in your prayers people who will be anxious about their own health and the health of others. Please also remember those children and their families whose anxiety levels will be high currently. Please take care. We will keep you in our prayers. Please keep us in yours.

Use your smile to
Change the world.

Don't let the world
Change your smile.

March 20

SCHOOL CLOSURE

Please find attached and in children's bags, today, a letter detailing St Mary of the Angels closure and arrangements for home learning.

For those parents who feel that they may/will identify as key workers, we will be seeking information from you tomorrow following Government identification of who will qualify as key workers. We will then be issuing further details with regard to school openings for your children.

For those parents with children who belong to vulnerable groups, we are in the process, today and tomorrow of contacting you to share our plans of action, to support your children.

EVENTS POSTPONED

Please be aware that due to the imminent closure, the planned Reconciliation Service has been postponed until further notice.

Please also be aware that the Bishops Conference met yesterday and have issued a statement that identifies all masses and services are cancelled, following advice from Public Health England. Please see attached documentation to that effect.

The Mothering Sunday shop planned for this week has been cancelled, to support the need for social distancing. Thank you to the PTA for the information.

GOOD NEWS

The playground equipment, bought with PTA funding was christened today. It will be a great asset to the school in the future. Thank you to all PTA, past and present, who have contributed in any way, to its arrival.

Monies raised for the recent "Danceathon" have been tremendous. More details will follow when final amounts have been counted.

REQUESTS AND REMINDERS

Please can parents take the time to read, carefully, the letter in children's bags and attached today. It details as much as we can share, currently.

Please can parents also continue to be patient and supportive of the ever-changing climate we are currently managing.

School leaders will be in touch as soon as they can, to support you as we move forward together.

Please be aware of the fact that most communication, moving forward, will be by email. It is, therefore, essential that you access and check your emails on a daily basis with regard to school support and school communications.

Thank you to the large majority of parents who do that so well.
