⑧ The likeness of God.

Dear Adam,

This is God your creator.

I am writing to ~~remind~~ remind you that I created you to be a stew image and likeness of me. I created you to be a steward of my world to look after it and all I have created.

I am God, compassionate, forgiving, welcoming.

This is how I created you to be. I want you to

look after the animals, to help them live in solidarity with everyone. I want you to show care and love to everyone. When you see

someone that is hurt ask them what happened

When someone is upset I want you to show love.

Remember that I am always with you. Think

about the poor people and care about them.

Look after the trees and plants because

they give us air to breathe.

Remember to recognise and celebrate the

presence of me in one another.

Your loving father in Heaven.

THE IMAGE AND LIKENESS OF GOD

The likeness of god

Dear Adam,

I am God, your father.

I am writing to you to tell you that you have been created as an image and likeness of me. I created you so that you can be a steward of my incredible world that you must take care of.

Please take care of the animals and the beautiful plants and creatures in this incredible world that I have created for you to live in.

I am your loyal, kind, confident and comforting leader; God and you must respect me and obey my command. I have created you to be active when you see someone injured or lonely, be compassionate when someone has faced a loss or is in a time of sadness, and be grateful for the gifts and talents I have given to you. Please show respect and consideration towards everybody and live in solidarity with them all. Always remember to apologise to everyone if annoy them or offend them. Be kind to everybody and help them if they want you to. Always look after everybody and remember you are not superior to anybody because you are equal to all human beings.

From your heavenly and almighty father, God

Adah.

Our Stewardship of Creation Prayer.

Dear Lord,

(A)

Thank you Lord for the world and my family I am so grateful for it.

And thank you for creating all of this beautiful nature and all of the lovely animals.

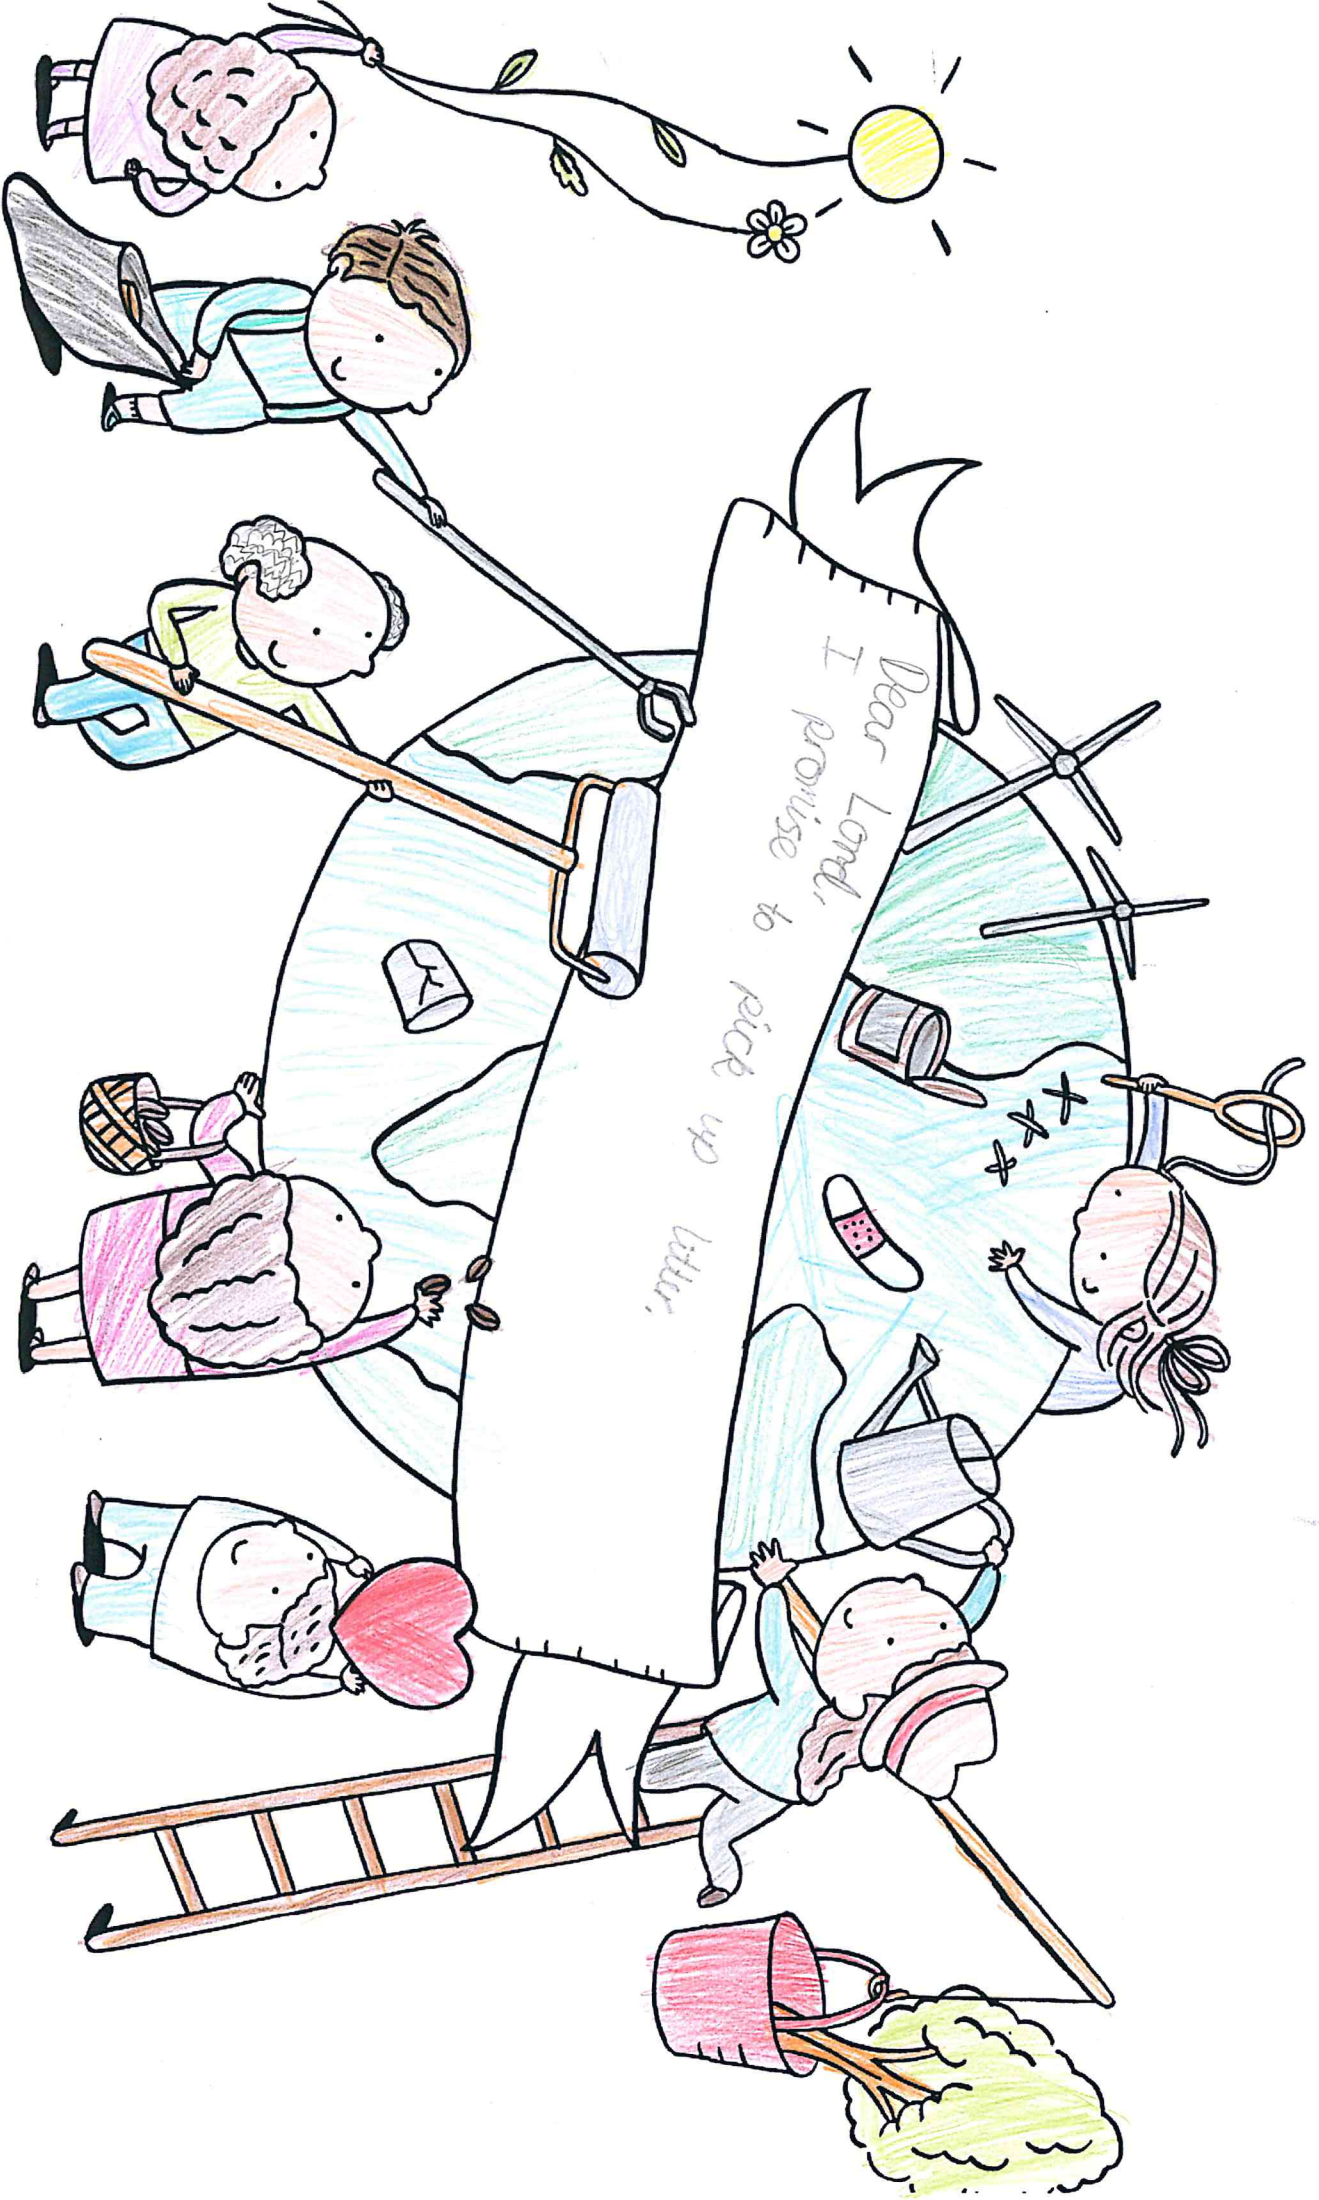

And one more thing I thank you for and that is for making me and for me having an amazing school to go to.

I am so so so thankful for everything and everyone in this world.

I am going to be a steward of your creation by donating food, water, clothes and money to charity.

Amen

sp lovely lovely lovely lovely

Name: Joe

Which of God's creations are you grateful for?

my Brnary
family

Saint Francis

St Francis is a good role model because when somebody with no money or good came to his stall silk stall, Francis took pity on him and gave him everything he had in his ~~pockets~~ pockets. He also dedicated himself to growing the church, living a life of poverty and helping others.

Feast Day: October 4th

Patronage: Animals, Ecology, Archaeologists, Italy, Merchants, Messengers, Metal Workers

"Each community can take from the bounty of the earth whatever it needs for subsistence, but it also has the duty to protect the earth and to ensure its fruitfulness for coming generations".

Laudato Si (67)

Life story: St Francis was born in late 1181 in an Italian town called Assisi. His father was a rich silk merchant, and Francis lived a prosperous life, wearing the best clothes, eating the best food and attending the best social events.

He was known for having a love for animals and is thought to have even spoken sermons to the birds. Through living simply he was able to appreciate the beauty of nature.
