- ✓ Continue to build respectful relationships. Think about the perspectives of others. Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate. Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions.
- ✓ Listen attentively, respond, and ask relevant questions, comments and actions when being read to and during whole class discussions and small group interactions. Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate.
- ✓ Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor. Combine different movements with ease and fluency. Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group. Develop overall body-strength, balance, co-ordination and agility. Further develop and refine a range of ball skills including: throwing, catching, kicking, passing, batting, and aiming. Develop confidence, competence, precision and accuracy when engaging in activities that involve a ball. Know and talk about the different factors that support their overall health and wellbeing. Develop the foundations of a handwriting style which is fast, accurate and efficient. Begin to show accuracy and care when drawing.
