### Weekly News

Dear Parents,

Thank you to everyone who attended our Corpus Christi Family Mass and procession with the Blessed Sacrament on Sunday. This was a wonderful occasion and set us up for the week to think about how we can open our lives and hearts to Jesus and live out our love for Jesus through our actions.

We are so proud of our children this week. Throughout very warm weather, Y1 have thoroughly enjoyed completing their phonics screening checks and concentrated so hard in order to read the real and 'alien' words beautifully.

Y4 have become so rapid with their times tables that they took their online multiplication check in their stride this week. They had huge smiles on their faces as they moved from multiplication revision into their Claymation workshop on Thursday. We can't wait for you to share with us the fruits of this work and everything you have accomplished as a result of such a busy, fun packed, exciting day of learning. Thank you to Gemma Foy from Let's Animate' who led the children through the workshop.

I was then very excited to welcome Y6 back from their residential on Wednesday. School did not feel the same without you! We greeted tired, but thrilled faces, buzzing with excitement from their adventures. Well done for your impeccable behaviour; you are a credit to everyone. A huge thank you, of course, to our dedicated staff and volunteers: Mrs Polito, Mrs Evans, our Chair of Governors - Mr Wintrip and Mr Polito who planned for the activities, supervised the children and enabled this memorable opportunity to go ahead!

Have a wonderful weekend.  
Kind regards,  
Mrs Hill

### Award Winners

During our Congratulations Assembly this morning, individual certificates have been distributed for children who have been working so hard with their phonics work, using adventurous vocabulary in their writing and taking ownership of their work and making improvements.

Our Class of the Week Award was presented to YR and Y5 for 'star attitude', looking after each other and respecting each other and school property.

Our attendance winners this week are Y4 with 100%. Wow!

We will come back to our Saint Star winners next week when the children have had chance to calculate all of the Dojo points distributed.

### Health and Safety Update

#### Summer Care / Hayfever:

We have a number of children who suffer with hay fever in school. **This can be managed at home with medication from a pharmacy.** Some medication can be one tablet a day, or  $\frac{1}{2}$  a tablet in the morning and  $\frac{1}{2}$  in the evening, depending on the age of your child. Please seek advice from your local pharmacy or your child's GP.

If your child suffers from hayfever, they can bring sunglasses to school to wear outdoors to reduce some of the symptoms. Wraparound sunglasses are best suited for this, as recommended on the NHS website regarding hayfever.

Please ensure that your child is equipped to be outside in warm weather - sun hats and sun cream applications are a must. We may have to restrict children's outdoor activities if we do not feel that they are appropriately safeguarded from the sun. (If older children are bringing in their own sun cream, this must not be shared between individuals.)

#### Medication

If you would like school staff to administer medication to your child, then it must be **prescribed by a doctor.**

Please ensure medication is **handed in to the school office** by yourself, as parental consent forms need to be completed **before** the medication is administered. Children must not bring any medication themselves into school, as it may get lost, or it may get ingested by another child.

Any medication you need to collect from school **must** be collected by parents at the school office please.

Thank you for support with these health and safety matters.

## Prayer and Reflection

### Today is the Feast of the Most Sacred Heart of Jesus

*The Sacred Heart of Jesus is viewed as a symbol of God's boundless and passionate love for mankind and representative of the long-suffering love and compassion of the heart of Christ towards humanity.*

*God our Father,  
We thank you for the Most Sacred Heart of Jesus  
And the Immaculate Heart of Mary.  
May we be filled with the same love and simplicity that filled them  
Until that love spills out into the world.  
May we become a way that your love and healing can enter the world  
And bring your peace.  
Grant this through Christ our Lord.  
Amen.*

Yours sincerely,  
Mrs N. Hill  
Headteacher
