

The Governing Body is committed to maintaining an up-to-date register of interests.

### **Conflicts of interest**

- The Governing Body will record any pecuniary or other business interest (including those related to people we are connected with) that we have in connection with the governing board's business in the Register of Business Interests, and if any such conflicted matter arises in a meeting we will offer to leave the meeting for the appropriate length of time. We accept that the Register of Business Interests will be published on the school's website.
- The Governing Body will also declare any conflict of loyalty at the start of any meeting should the situation arise.
- The Governing Body will act in the best interests of the school as a whole and not as a representative of any group, even if elected to the governing board.
