

# Poppy Brass

Are you living, working or studying in Aldridge? Do you play a brass instrument?

Players of any age and ability are encouraged to sign up for the Poppy Brass Band Project, and join a virtual band of musicians playing *Abide with Me* for the Remembrance Services in November.

You can find out more from this YouTube video: <https://youtu.be/eCqqgf-r-10>

Or get detailed information and access to the written parts and backing tracks directly from the website here: <http://www.notejuste.com/wp/music-2/poppy-brass-band-project/>

Everybody is welcome, and there are easy parts specifically for beginners.

You can find out more and ask any questions by e-mailing [PoppyBrassBand@gmail.com](mailto:PoppyBrassBand@gmail.com).
