Stick man – Julia Donaldson

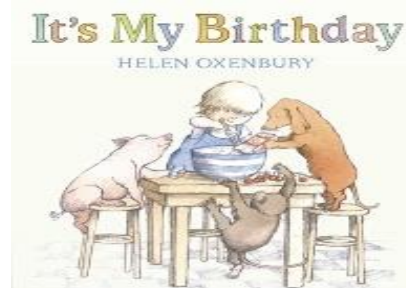

“Stick Man lives in the family tree

With his Stick Lady Love and their stick children three.”

Aim- Develop sequencing skills, recall and orally change parts of the story. Write the repeated refrain changing key words. Identify with the time of year – Christmas. Write for different purposes; a Christmas list to Santa, a Christmas card to my family, a thank you letter.

What could be better than sharing a birthday cake with the friends who helped to bake it? In this whimsical, cumulative birthday tale, a host of generous friends helps a small child assemble the ingredients for a delicious cake. Full of fun and good cheer.

Aim – To continue to explore different types of writing; a recipe, a birthday card. Continue to be able to identify differences between fiction and non-fiction writing.
