And finally:- After the Easter Season that ended last Sunday with Pentecost, the Liturgy has returned to "Ordinary Time". This does not mean, however, that Christians must be any less committed: indeed, having entered divine life through the sacraments, we are called daily to be open to the action of divine Grace, to progress in love of God and neighbour. This Sunday of the Most Holy Trinity, in a certain sense sums up God's revelation which was brought about through the Paschal Mysteries: Christ's death and Resurrection, his Ascension to the right hand of the Father and the outpouring of the Holy Spirit. The human mind and language are inadequate to explain the relationship that exists between the Father, the Son and the Holy Spirit; yet the Fathers of the Church sought to illustrate the mystery of the Triune God by living it with deep faith in their own lives. (Benedict XVI)

May God bless and protect you all. Fr. Craig
