**And finally:-** Humanity must let itself be touched and pervaded by the Spirit given to it by the risen Christ. It is the Spirit who heals the wounds of the heart, pulls down the barriers that separate us from God and divide us from one another, and at the same time, restores the joy of the Father's love and of fraternal unity. It is important then that we accept the whole message that comes to us from the word of God on this Second Sunday of Easter, which from now on throughout the Church is called "Divine Mercy Sunday". Christ has taught us that "man not only receives and experiences the mercy of God, but is also called 'to practice mercy' towards others: "Blessed are the merciful, for they shall obtain mercy" (Mt 5:7). (Pope St. John Paul II).

*May God bless you all, Fr. Craig*
