

Dear Year 1 & Year 2 children,

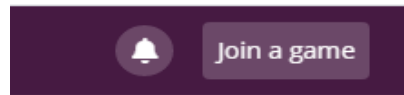

Here is a link to a quiz I have devised about Lent. I wonder if you can remember everything you have been taught at school. Why don't you see?

To access these quizzes, go to <https://quizizz.com/join> and you will see ...

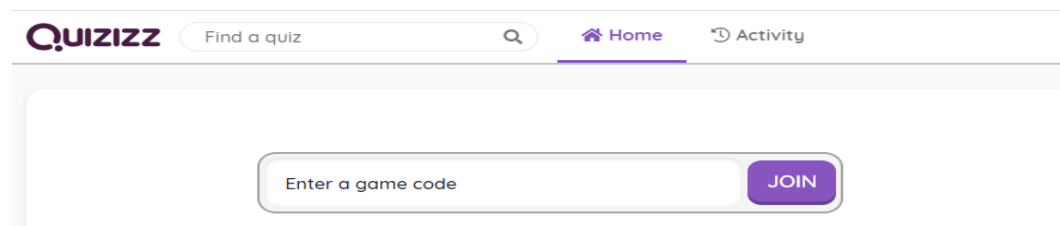

Check with your parents first and sign up

Now you will see join a game at the top of the page

Click this and then you will see

To complete the Lent quiz, enter code **404474**

See how many you score!!

I will be looking at the leader boards and the people who take part and will be asking the PTA if they can arrange for a small reward for those we see showing commitment to the quizzes over a month.

Happy quizzing!

Good Luck

Mrs Smith
