Thank You from CaFOD

Thank you to everyone who signed 'Salina's letter' this summer. Salina is the small-scale farmer from Bangladesh who is calling on the World Bank to protect the rights of farmers over their own seeds. 70,000 parishioners in England and Wales signed the letter. Salina said, "I am very happy to know about 70,000 signatures along with mine". This helped CaFOD to secure initial meetings with the World Bank staff, who heard the message that seeds are for all. This is a long struggle but it's a very good start. Thank you for adding your voice.

Sacrament of the Sick

Please remember to inform Fr. Craig **directly** in case of sickness, especially if it requires hospital treatment or a prolonged absence from Mass. If you cannot inform the clergy yourself it is then your family who should take on this responsibility.

And finally:- This weekend people will gather at the many War Memorials up and down our country to remember, and to pray for, the men and women of our armed forces who laid down their lives in the pursuit of peace. Amidst the military pomp which surrounds these events, however, we must also remember to pray for the many thousands of innocent victims of war; those who died as a result of the conflicts happening around them, and the many parents, grandparents, children and families who lost loved ones. As the wreaths are being laid on Sunday, we are acutely aware, much to humanities shame, that across our world lives are still being lost, families are still being torn apart, by warfare, hatred and unnecessary conflicts. At the sound of the Last Post silence will fall across our village, but in other places the sound of gunfire and the explosion of missiles will continue to be heard. As we recall with thanksgiving in our hearts the men and women of the past we must also pray for the future, for an end to warfare, that peace and reconciliation may prevail in all parts of our world.

May God bless you all, Fr. Craig
