Who processes your information?

St Mary of the Angels School is the data controller of the personal information you provide to us. This means the school determines the purposes for which, and the manner in which, any personal data relating to pupils and their families is to be processed. Mrs Moore, office manager, acts as a representative for the school with regard to its data controller responsibilities; they can be contacted on 01922 743411 or mmoore@st-maryangel.walsall.sch.uk.

In some cases, your data will be outsourced to a third-party processor; however, this will only be done with your consent, unless the law requires the school to share your data. Where the school outsources data to a third-party processor, the same data protection standards that St Mary of the Angels School upholds are imposed on the processor.

Walsall Local Authority (Paul Withers) is the data protection officer. Their role is to oversee and monitor the school's data protection procedures, and to ensure they are compliant with the GDPR. The data protection officer can be contacted on schoolsdpo@walsall.gov.uk.

Why do we collect and use your information?

- To provide appropriate pastoral care
- To assess the quality of our service
- To comply with the law regarding data sharing

The National Pupil Database (NPD) is managed by the DfE and contains information about pupils in schools in England. St Mary of the Angels School is required by law to provide information about our pupils to the DfE as part of statutory data collections, such as the school census; some of this information is then stored in the NPD. The DfE may share information about our pupils from the NDP with third parties who promote the education or wellbeing of children in England by:

- Conducting research or analysis.
- Producing statistics.
- Providing information, advice or guidance.

The DfE has robust processes in place to ensure the confidentiality of any data shared from the NDP is maintained.

St Mary of the Angels School will not share your personal information with any third parties without your consent, unless the law allows us to do so. The school routinely shares pupils' information with:

The information that we share with these parties includes the following:

- Personal information – e.g. names, pupil numbers, date of birth and addresses

Parents are able to request that only their child's name, address and date of birth are passed to the LA, by informing St Mary of the Angels School administrator via email or letter. Once pupils reach 16 years of age, this right is transferred to them, rather than their parents.
